PRODUCT FEATURES

• Oilless operation
• Motor mounted
• Rugged construction/low maintenance

INCLUDES

• Capacitor AG331 (4-pole motors), AF485 (2-pole motor)

RECOMMENDED ACCESSORIES

• Pressure gauge AF583, vacuum gauge AA640
• Pressure relief valve AF887, Vacuum relief valve AA550C-V
• Rubber feet (4) AG505
• Repair Kit K309 (Use 2)

PRODUCT DIMENSIONS

For Compressors: A & B are inlets, C is outlet
For Vacuum Pumps: Two stage A is inlet, B is outlet.
For Single stage: C is inlet

PRODUCT SPECIFICATIONS

Note: "P" models are pressure; "V" models are vacuum;
